Longford Women's Link Limited
(A company limited by guarantee not having a share
capital) Directors' Report
for the year ended 31 December 2009

The directors present their report and the financial statements for the year ended 31st December 2009.

Principal Activity

The Company was set up in 1995 to respond to the identified needs of women in the county. In 2002, the organisation undertook a review and strategic plan for the next three years. As a result of extensive consultations with all stakeholders, it was decided to change the name of the organisation to Longford Women's Link as it was felt that the new name more accurately reflected the new strategic plan.

Vision

Longford Women's Link vision for the future is that :

Women in Longford can fulfil their potential in a safe and equal society.

Longford Women's Link identified 3 key issues that many women in Longford face that contribute to, and maintain poverty and disadvantages for women and their families:

1. Lack of economic independence
2. Specific needs of women from new communities
3. Domestic violence

These issues are not independent or stand alone, but rather they interact with each other, and with other issues, to create situations of complex disadvantage where a single intervention will not be sufficient to create real and lasting change. Longford Women's Link integrated approach looks at the various barriers underlying these issues and how these issues interact. Longford Women's Link then designs and implements interventions which feed into each other and provide multi-dimensional, holistic response. Within this integrated approach, there are three main areas of focus in terms of activities for the next three years.

Direct Support

Building Community Capacity

Advocacy

Results And Dividends

The Surplus for the year after providing for depreciation and taxation amounted to € 14,085 (2008 - € 87,903).

Important events since the period end

No matters or circumstances have arisen since the end of the financial period which significantly affect or may significantly affect the operations of the company, the results of those operations or the state of affairs of the company in financial years subsequent to the financial year ended 31st December 2009.

Books of Account

The measures taken by the directors to ensure compliance with the requirements of Section 202, Companies Act 1990, regarding proper books of account are the implementation of necessary policies and procedures for recording transactions, the employment of competent accounting personnel with appropriate expertise and the provision of adequate resources to the financial function.

The books of account are maintained at Willow House, Ardnacassa Avenue, Longford.

(A company limited by guarantee not having a share

for the year ended 31 December 2009

Going Concern

Current economic conditions have created uncertainty. The financial statements have been prepared on a going concern basis. The company is funded by grant aided bodies, childcare fees, course fees, other income and fundraising as needed, therefore the existence of the company is based on funds available from these sources.

Principal Risks and Uncertainties

Under Irish company law, the company is required to give a description of the principal risks and uncertainties which it faces. As Longford Women's Link Limited is a not-for-profit entity, most normal business risks do not apply. The board seek to ensure that the costs of events and other expenditure incurred are fully covered by the grant aided bodies, childcare fees, course fees, other income and fundraising as needed. The board are satisfied that there are no material risks applying to the activities of the company at this time, but will continue to regularly review this situation.

Directors' Responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the company and of the profit or loss of the company for that year. In preparing these the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.
- state whether applicable accounting standards have been followed, subject to any material departure disclosed and explained in the financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Acts 1963 to 2009. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

The auditors, O' Brien & Co., have indicated their willingness to continue in office in accordance with the provisions of Section 160(2) of the Companies Act, 1963.

Longford Women's Link Limited
(A company limited by guarantee not having a share
capital) Directors' Report
for the year ended 31 December 2009

Report for Board AGM 2010

During 2009 as in previous years Longford Women's Link has consistently adhered to the principles of equality for the women of Longford and surrounding counties. In every facet of the service provided for women, the development of the service has responded to the needs of the women as expressed by the women themselves or by the staff working with them. The innovative approach of the Manifesto Group is a fine example of this response. Involving women from many different backgrounds whether ethnic or specific issue groups, this work has provided women with the opportunity to express concerns at local County Council level. While still a work in progress the Manifesto Group aim to raise awareness of women's issues directly with Co. Councillors and to encourage women to consider greater participation in local government.

Funding continues to be a concern, however the continuation of the funding from the ONE Foundation has enabled the organisation to implement improved financial monitoring and the streamlining of the services. A major fund raising event is planned for 2010.

As in previous years the success of the organisation is due to the dedication and commitment of the staff. During the last year we said our farewells to two members of staff who progressed to further education and we wish them well in their studies. We welcomed their replacements and the new Head of Services Catherine Lynch.

Of equal importance to the organisation is the Board of Directors/ management committee. Being a voluntary director of a community based organisation requires dedication to the principles of the organisation and commitment of time and energy. During the year we welcomed Sheila Reilly to the Board and sadly said goodbye to Edith Durojaiye who emigrated. The expansion of the existing board during the coming year is currently under review and a number of people with specific expertise have been invited to join the Board. The present Board of Directors bring with them a wealth of knowledge and expertise, a valuable asset for supporting the work and values of Longford Women's Link.

During the year a training day was held for the Board of Directors to examine the role of the Board in the provision of Good Governance.

The role of the Board has changed in the last year with management being responsible for the day to day running of the organisation and the role of the Board to approve, monitor and review the work of the organisation. For example the Finance sub committee is responsible for reviewing the monthly financial report prepared by management but the sub committee is no longer required to assess each individual transaction. Additional monitoring of the financial transactions is carried out by O'Brien and Co. with spot checks to ensure correct procedures have been implemented.

Finally we would like to thank the following people:

Our auditors O'Brien and Co for their support over the last number of years

The CEO and staff for their commitment to the work of the centre

The Board of Directors for their continued support of Longford Women's Link.

Our Funders without whose financial support we would be unable to provide the services.

On behalf of the Board
